OUR SAVE ENERGY DIALOGUE IN THE DISTRICT OF RAVENSBURG

...❖ VOLUNTARY ENERGY MENTORS

Are you spending too much on utility costs? Then get in touch with us! Our voluntary energy mentors will give you tips and ideas on how to save energy and reduce your utility costs. The service is free of charge. If we are not able to sort out your situation sufficiently in our initial discussion, we will pass you on to our energy advisers free of charge.

...❖ GREAT SUPPORT FOR SAVING ENERGY

You can save energy even with just a little effort. The Save Energy Dialogue of the Verbraucherzentrale Baden-Württemberg e. V. helps you to use energy more efficiently and therefore to save money.

...❖ SAVE ENERGY DIALOGUE – HOW IT WORKS

The energy mentors come to your home and help you to reduce your personal electricity and heating consumption. You receive an initial assessment of your energy saving potential. The energy mentors take a close look at your appliances and give simple tips on what you can do to save energy.

FREE OF CHARGE

Duration: approx. 1–2 hours

... ❖ SAVE ENERGY DIALOGUE ON SITE

Made-to-measure support: our energy mentors analyse the situation directly in your home and give you customised tips. You can also arrange a second appointment with the energy mentors if necessary. The support will be adapted to your individual needs. We will also be happy to point you in the right direction for other useful contact points covering a wide range of topics, such as access to benefits and grants. Just ask us!

WE PROVIDE TIPS ABOUT THE FOLLOWING TOPICS

- Saving energy (electricity, heating)
- Energy bills (electricity, gas, heating)
- Heating and ventilation
- Mould
- We will put you in contact with other advice centres where necessary

If you would like an appointment, please get in touch with us by email at energiespardialog@rv.de with details of where you live and your phone number. We will then get back to you.

... ❖ COOPERATION BETWEEN THE VERBRAUCHERZENTRALE BADEN-WÜRTTEMBERG AND RAVENSBURG DISTRICT AUTHORITY, RAVENSBURG ENERGY AGENCY AND THE KLIKKS PROJECT

The service providing energy mentors is run in cooperation with various institutions. The KlikKS Project of the Association of Regional Energy and Climate Protection Agencies (rea BW e. V.) gives our energy mentors further support in the form of networking, professional development and training courses.
